Director of
Advanced Academics,
Grapevine-Colleyville ISD

Admission is free for SAGE members' families and \$5 at the door for non-members. Join SAGE or renew your annual SAGE membership online now at <http://gc-sage.org/join/>

You are invited to SAGE's first meeting of the school year: a Brown Bag Lunch & Learn with special guest Becky Manning, Director of Advanced Academics for Grapevine-Colleyville ISD, who will present an update about the gifted program. Topics may include personalized learning and differentiation via the district's E2, "Enrichment and Extension" plan, a description of the difference between an "teaching platform" and a "learning platform" for gifted students, and an update on the continual training that teachers receive about teaching gifted students.

Bring a lunch and arrive as early as 11:30 a.m. and spend a half hour networking with other GT parents. The presentation will begin at noon (feel free to arrive by noon and enjoy your lunch during the presentation).
